Times subject to change based on high school programs.

Time changes will be communicated via email

ATTENTION PARENTS

We need volunteers for the 2nd/3rd grade and 4th/5th grade program. The program requires at least 2 adults present for each session. Volunteers would need to split up teams and monitor the players. Each adult must have completed the Rutgers Safety Course, the Heads UP CDC Concussion Course and the Rec Dept sponsored background check. All 3 requirements can be met at our Rutgers Safety class being held at Borough Hall on November 5th!

Any questions, contact the Recreation Office at recdept@ringwoodnj.net
