Dear Parents, Grandparents and Friends of St. Catherine of Bologna School,

As the Christmas season approaches, the members of the St. Catherine of Bologna School Education Council would like to begin by **thanking you for your continued love, prayers and support of our school.**

We are writing to tell you about an incredible gift that has been given to our school – a gift that will allow us to continue our tradition of academic excellence and spiritual development as St. Catherine of Bologna School (SCBS) enters its 70th year in 2018.

A truly generous **donor** (who would like to remain anonymous) **has graciously offered to *triple* every donation that is made to SCBS by the end of 2017.** As a result of this gift, **a \$200 donation will now be \$600, a \$500 donation becomes \$1500, and a \$1000 donation becomes \$3000, etc.*** We would like to invite you to help us make the most of this tremendous blessing through your own generosity to St. Catherine of Bologna School.

St. Catherine's is committed to inspiring your children, your grandchildren, indeed all its students to reach their full potential. As a result, our graduates stand out in every high school and college they subsequently attend. Our ability to set and achieve high standards in education and character development is ***dependent upon your generosity.*** As you consider your end of the year tax deductible charitable giving this Christmas season, we hope that you make St. Catherine's a priority and help us take full advantage of the amazing gift that triples all contributions to our school. Remember, **we only have until December 31st to receive the triple match.**

Thank you for all you do for our school. Your generous contributions are critical to our ability to continue to educate our children, strengthen our school, embrace our families and strengthen our community.
